```
graph TD; A["C:/portableDevEnv_2017  
/workspace2017/project  
/src/CKnot.hpp"] --> B["CEntry.hpp"]; B --> C["string"];
```

A vertical flowchart with three rectangular boxes. The top box is shaded gray and contains a file path. A blue arrow points down from the bottom of the top box to the top of the middle box. The middle box is white with a black border and contains a header file name. Another blue arrow points down from the bottom of the middle box to the top of the bottom box. The bottom box is white with a light gray border and contains the word 'string'.

CEntry.hpp
